 Minority Serving Institutions: Educating and Serving Racially Marginalized Students

This course is focused on minority serving institutions, including how these institutions are defined and conceptualized, how and why these institutions emerged, the possibilities and limitations of MSIs to advance racial equity, and what MSIs have to teach American higher education about serving racially marginalized students.

Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.

Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.

Synchronous online courses occur in real time and are taught 100% online, but students will meet with the class at a set time each week. When you register for a synchronous course in MyNIU, the system will indicate the course is online (100%) synchronous where the "room" is listed. You will also see course meeting times listed.

Synchronous online courses occur in real time and are taught 100% online, but students will meet with the class at a set time each week. When you register for a synchronous course in MyNIU, the system will indicate the course is online (100%) synchronous where the "room" is listed. You will also see course meeting times listed.

---

Synchronous online courses occur in real time and are taught 100% online, but students will meet with the class at a set time each week. When you register for a synchronous course in MyNIU, the system will indicate the course is online (100%) synchronous where the "room" is listed. You will also see course meeting times listed.
