All students wishing to be formally admitted into one of the Communication Studies emphases must have completed the following requirements prior to the department's application deadlines:

1. Completion of a minimum of 15 semester credit hours.
2. A minimum of 2.20 cumulative GPA on a 4.00 scale (as calculated by NIU).
3. Completion of the following courses:

MATH 210 Finite Mathematics (3) or	
MATH 211 Calculus for Business and Social Science (3) or

4. Early application is encouraged.
5. Transfer students who will have completed the above requirements need not apply separately to the Department of Communication.
6. Transfer students who have been admitted to the university, but who have not completed the above requirements, should seek departmental advisement at Orientation or as soon as they arrive on campus. Such students must follow the deadlines listed above for currently enrolled students, but consideration will be given to their need for access to major courses prior to formal admission into the program.
