Students who enter NIU with an A.A., A.S., A.F.A., or A.A.T. degree should expect to spend an additional 2½ - 4 years at NIU completing their degree, depending upon what courses were completed at the community college; **therefore, transfer after one year (with the following courses completed) is recommended.** It is also strongly recommended that students speak with a representative of the School of Art for more information about the program they wish to pursue.
