<i>There is a completion program in emphasis 3, which is limited to students with an associate in applied science degree in Childcare and Child Development from programs that have a formally established agreement with the School of FCNS. Up to 15 semester hours of proficiency credit may be applied to this area of study with the consent of the NIU academic advisor or school chair.</i>	

3. A cumulative GPA of 2.20 or higher on a 4.00 scale (as calculated by NIU) is required; however, **admission is competitive** and will be based primarily on the completion of the prerequisite courses above and on the student's overall GPA in course work taken at NIU and/or transferred from other institutions. The GPA from the most recent evaluation of credit on file will be used until 15 semester hours are earned at NIU, with at least 12 of those hours being credit that applies to either the major, minor, or general education requirements.
4. Transfer students should immediately request **an application** from the School of FCNS. After such students are accepted into the university, their applications will be transmitted to the School of Family, Consumer, and Nutrition Sciences for admission consideration. Students should seek departmental advisement at Orientation or as soon as they arrive on campus.
5. To be considered for admission, students must have their applications to the university and to the School of FCNS **complete (must be admitted)** by the following deadlines:

Program application deadline: March 1 (Summer/Fall Terms)

Program application deadline: September 15 (Spring Term)
