VIRTUAL
Senior Design
Demonstration Day
Project Report

Visit the Senior Design Demonstration Day website at go.niu.edu/SeniorDesignDay and complete the following.

Complete the following questions during your visit:

Team Number:

Title of the Project:

Time you visited the project:

Explain what the project does:

Who does the project help?

NIU students will be available to talk with you in real time through a live meeting room on May 8 from 1-4 p.m., but the projects will remain up after that time.

Name of a team member you spoke with:

Ask the team member and report here the answer to one of these questions:

- What was the biggest challenge completing this project?

- Name one thing that you didn't expect that happened during the process of creating the plans:
