**Article 4 – Hours and Schedules**

Par. 1 Eight (8) consecutive hours shall constitute a day’s work and forty (40) hours shall constitute a week’s work. Time and one-half shall be paid in cash for hours worked over eight (8) hours in one (1) day or over for forty (40) hours in any workweek. Policies of the Board of Trustees and the University Rules of Northern Illinois University shall be followed in the establishment of a basic workweek.
Par. 2 The greater part of the shift worked on a calendar day will determine which day will be considered as being worked. For example, a shift starting at 11:00 p.m. Tuesday night and running to 7:00 a.m. Wednesday morning will be considered as being worked on Wednesday. If the times are equal, the starting date will determine the day worked.

Par. 3 An employee’s work schedule (shift) will not be changed more than once within the employee’s workweek. Return to an employee’s bid and regular work shift shall not constitute a change.

Par. 4 Except in emergency situations, whenever work schedules are changed, written notice of such change shall be posted in the East and West Heating Plant at least forty-eight (48) hours before such changes become effective. Time worked as the result of a schedule change when notice is less than forty-eight (48) hours shall be paid at the appropriate premium rate. The amount of overtime paid under this provision shall not exceed sixteen (16) hours or the actual amount of time worked within the fort-eight hour period, whichever is less.

Par. 5 Notification of shift changes:

a) minimum of 48 hours notice  
b) shift changes are to stay on appropriate sides (East or West)  
c) when a holiday falls within a shift change, the changed employee will work the holiday

One day shift changes will be allowed:

a) one shift change per week  
b) junior engineer will make shift change  
c) when there is more than one shift change in one week the second junior engineer will make the shift change provided that the least junior engineer already has had a shift change  
d) the junior engineer on occasion will be allowed to block out weekends from shift changing with advance notice

NOTE: Junior engineer is the engineer with the least seniority on the day shift on each side, east or west.

Par. 6 Work on the sixth day and the seventh day of the work schedule shall be compensated at the rate of time and one-half the basic straight time hourly wages herein established. Pyramiding of overtime is not permitted by this Agreement.

Par. 7 If an employee is called back to duty following the regular work shift and before being regularly scheduled to work again, the employee shall be paid no less than four hours at the regular overtime rate of pay. However, if the
employee's regularly scheduled shift begins within two hours after the call back, the employee shall revert to the regular base rate of pay at the beginning of the regular scheduled shift. In each instance the employee will be paid at least two hours call-in for time worked prior to the regular shift. Work performed in continuation of a scheduled shift will be compensated at the appropriate rate of pay for the additional time worked.

Par. 8 Overtime shall be distributed on a rotating basis for each classification represented by this Agreement.

**Article 5 – Seniority – Job Bidding**

Par. 1 Seniority shall be by classification and shall prevail in regard to layoffs, choice of working shifts, heating plants, and vacation periods, so far as the operating needs of the department permit.

Par. 2 Promotional examinations and training courses conducted in preparation for promotional examinations shall be open to all qualified employees within the bargaining unit in the promotional line.

Par. 2A Both parties acknowledge that the Chief Plant Operating Engineer is a supervisory administrative position not covered by the terms of this Agreement, but is in the promotional line for upgrading from within the classifications represented by this Agreement.

Par. 3 The annual job bid meeting for all classifications shall be held prior to the start of the fall semester. All bids shall include all classifications, except Helpers. Exceptions to the annual bid meeting shall be limited to the following: vacancies created by promotions, transfers, retirement, resignations, discharge, prolonged illnesses, and any other absences exceeding 30 consecutive calendar days excluding vacation absences.

Par. 3A Whenever work area (e.g. building) assignments change between bid meetings, such changes shall be noted at the following bid meeting prior to bids taking place. If bid areas are changed, a bid meeting will follow.

Par. 4 Permanent upgrades throughout the promotional line will occur within thirty days unless the union is notified in writing by the Employer. All employees upgraded due to a prolonged illness vacancy will be returned to their prior classification if the employee has been on sick leave returns.

Par. 5 When a temporary upgrading occurs, an upgraded employee will be inserted into the overtime rotation for the higher classification if it is determined the upgrade will last for thirty (30) days or more. An employee will only be eligible for overtime in one classification.

Par. 6 During an employee's probationary period, seniority may be ignored for purposes of bidding shifts and days off to allow management to utilize training opportunities as it deems most desirable.
Article 6 – Grievance/Arbitration

Par. 1 A grievance shall be defined as any dispute of difference between the parties with respect to the application, administration and interpretation of the provisions of this Agreement. All grievances shall be filed in accordance with the provisions herein. The grievant may be an employee, group of employees or the Union. Grievances filed by the Union shall be initiated in writing at Step 3 of the grievance process within five (5) working days after the Union becomes aware or should have been aware through the use of reasonable diligence of the circumstances or condition causing the grievance. For purposes of the grievance procedure, work days are considered to be Monday through Friday.

Par. 2 An employee may choose to pursue a grievance with or without representation. Obtaining representation shall be totally the responsibility of the employee. If a representative other than a Union representative is selected, such representation shall be specifically limited to the grievance without prejudice or influence for any other employees. If a Union representative is chosen from the bargaining unit, the representative will speak for the Union. An employee representative, other than an attorney, may be involved with the employee at any step within the grievance procedure.

Par. 3 The limits herein set forth may be extended by mutual consent of both parties if submitted in writing to the Director of Labor Relations for Steps 1 through 3 or to the Vice President, Compliance and Human Resources, or designee, for Step 4. If at any step within the grievance procedure the Employer fails to respond within the time limits herein set forth, the grievant may appeal the grievance to the next step within five working days.

Grievance Procedures

Par. 4 Step 1: Within five (5) working days after the first occurrence, or within five (5) working days after the grievant becomes aware or should have been aware through the use of reasonable diligence of the circumstances or conditions causing the grievance, the grievant shall orally present the grievance to the immediate supervisor. The immediate supervisor shall provide an oral response within five working days after such presentation.

Par. 5, Step 2 If the grievance is not settled at Step 1 and the grievant wishes to appeal the grievance to Step 2, the grievance and the Step 1 response shall be reduced to writing and signed by the grievant and immediate supervisor. The written grievance shall contain a complete statement of facts, the provision or provisions of this Agreement at issue and the relief requested. The written grievance shall be submitted to the department head within 5 workdays of the immediate supervisor's oral response. The department head shall meet with the grievant in an attempt to resolve the grievance at a time mutually agreeable to the parties. The department head’s response shall be reduced to writing within 5 workdays following the meeting.
Par. 6, Step 3 If the grievance is not settled at Step 2 and the grievant wishes to appeal the grievance to Step 3, the grievance shall be submitted within ten (10) workdays after the department head’s written response to the Vice President of Compliance and Human Resources or designee. The Vice President of Compliance and Human Resources or designee shall schedule a meeting with the grievant at a time mutually agreeable to the parties. The Vice President of Compliance and Human Resources or designee shall issue a written response to the grievance within fifteen (15) calendar days of the meeting, unless the timeframe is extended by mutual agreement.

**Arbitration**

Par. 7 If the grievance is not settled at Step 3, the Union may present the grievance to the Vice President of Compliance and Human Resources or designee for arbitration within ten (10) workdays after receipt of the Step 3 response.

Par. 8 The parties shall obtain a list of seven (7) arbitrators from the Illinois Educational Labor Relations Board, Federal Mediation and Conciliation Service, or other mutually acceptable source. The parties shall meet in person or by telephone and alternatively strike names until a single name remains. A second list of arbitrators may be requested upon the agreement of both parties. The cost of services of the arbitrator, court reporter, and transcripts, as well as all other costs incurred by the arbitration, shall be borne equally by both parties. Neither side shall be responsible for the expense of the other’s witnesses or representatives.

Par. 9 The scope of arbitration is limited to the terms of this Agreement and any supplemental agreements between the parties, Board of Trustees Regulation and Bylaws, University Rules and Policies, Laws of the State of Illinois and Rules and Regulations of Administrative Agencies are not subject to arbitrations. Pursuant to current University Civil Service statutes and rules, matters relating to the discharge or dismissal of an employee are not subject to arbitration. The arbitrators shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrators shall only consider and make a decision with respect to the particular issues necessary to resolve the grievance without recommendation or comment on any other matter. The arbitrators shall be without power to make a decision or render an award contrary to or inconsistent with or modifying or varying in any way the application or laws, rules, and regulations having the force and effect of law. No liability shall accrue against the Employer for a date prior to the date the grievance was presented in Step 1. The arbitrators shall submit in writing their decision and aware within 30 calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later. The decision and aware shall be based solely upon the arbitrators interpretation of the meaning or application to the facts of this Agreement to the grievance presented. Past practices may be considered in interpreting an ambiguous provision of this Agreement but may not be considered for the purpose of creating an employee
right for the Employer obligation or liability. Subject to the provisions of this section, the decision of the arbitrators shall be binding on the parties.

**Article VII Jurisdiction**

Par. 1 In case of jurisdictional disputes arising between representatives of this Union and those of other unions, it is understood that such differences shall be settled, without work stoppage, among the Unions concerned and the Employer, and that the Employer will not make any changes in an already established work assignment practice pending resolution of the dispute.

**VIII No Strike, No Lockout**

Par. 1 During the term of this Agreement or any extension thereof, neither the Union nor any employee covered by this Agreement will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, concerted stoppage of work, or any other intentional interruption of the operations of the University.

Par. 2 The Employer will not lock out any employees covered by this Agreement during the term of the Agreement as a result of a labor dispute with the Union.

**Article IX Proportionate Share Clause**

Par. 1 This proportionate share provision shall not become effective until the Union demonstrates to the Director, Labor Relations, or designee, that in excess of 50 percent of the employees in the bargaining unit have joined the Union based upon written payroll dues deduction authorization from such employees filed with the Employer. Upon this provision taking effect, the Union shall submit to the Employer an affidavit which certifies the amount constituting an Employee's proportionate share of the cost of the collective bargaining process and the contract administration, which amount shall not in any event exceed the dues uniformly required of members of the Union.

Par. 2 Within thirty days after the Union certifies to the Employer the amount of the proportionate share fee the Union shall notify all non-member employees as to the amount of the proportionate share fee and the procedure by which non-members may object to the proportionate share fee. The Union shall set up a procedure by which it will receive and consider objections.

Par. 3 The proportionate share fee deduction shall commence with the first pay period starting 30 days after the Union certifies to the Employer the amount of the proportionate share fee or 30 days after the date of original employment for a new employee, whichever is later. Each full-time employee in the bargaining unit who is not a member of the Union shall be required to pay the proportionate share fee. Such proportionate share payments shall be deducted from the earnings of the non-member full-time employees pursuant to usual and customary payroll deduction procedures and paid to the Union.
Par. 4 The Employer agrees to deduct Union dues, assessments, and Union sponsored benefit program contributions from the pay of those employees who are Union members covered by this Agreement and who individually, on a form provided by the Union, request in writing that such deductions be made. The Union shall certify the current amount of Union deductions.

Par. 5 The amount of the above employee deductions shall be remitted to IUOE Local 399 after the deduction is made by the Employer with a listing of the employee social security number, and the individual employee deduction(s).

Par. 6 It is understood and agreed that the Employer and the Union jointly acknowledge and respect the provisions of the “wage and Salary Withholding Act” as amended, in regard to dues authorization and revocation cards.

Par. 7 The Union shall indemnify and hold harmless the Employer, its officers, agents and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability that shall arise out of or by reason of action taken by the Employer for the purposes of complying with the above provisions of this clause or in reliance on any list, notice, certification, affidavit or assignment furnished.

Par. 8 Upon the proportionate share provision of this Article taking effect, the Union shall provide the Employer with a description of the Union's procedure for hearing employee objections to the proportionate share deduction.

**Article X Miscellaneous**

Par. 1 For purposes of stationary engineer-training, the Employer may assign Stationary Firemen, regardless of seniority, to the day shift for training which will last a minimum of six months. Employees who neglect or refuse to use or wear safety equipment may, after one oral warning, be subject to disciplinary action by the Employer for the second act of neglect or refusal.
Par. 4 New employees shall serve a probationary period of six (6) months following their date of employment. The Employer shall have the right to transfer or dismiss any employee for any reason whatsoever during the probationary period and the employee shall not have redress through the grievance or arbitration provisions within this Agreement.
