Transfer courses with IAI codes will be placed in the Foundational Studies and Knowledge Domain areas as listed on the Plus General Education and IAI Placement chart whether a direct NIU equivalent or not. Transfer courses that do not have IAI codes but that have previously been determined to qualify for a general education area at NIU will be placed in a Knowledge Domain according to these guidelines:

- All courses with a Science/Math designation will be placed in Nature and Technology.
- All courses with a Humanities/Fine Arts designation in Music, Art, and Theatre will be placed in Creativity and Critical Analysis.
- All courses with a Humanities/Fine Arts designation in English, Literature, Philosophy and Classical Mythology will be placed in Creativity and Critical Analysis.
- Courses in other departments will be placed initially in Society and Culture with the option of being used in Creativity and Critical Analysis if needed.
- All courses with a Social Sciences, or Interdisciplinary Studies designation will be placed in Society and Culture.
- Courses with codes with an * can be used in either Creativity and Critical Analysis or Society and Culture

Foundational Studies:	General Education and Domain Categories
Mathematics = Quantitative Literacy Communication = Oral Communication English = Writing Requirement	The four Distributive Studies areas; Humanities and the Arts, Science and Mathematics, Social Sciences, and Interdisciplinary Studies have been renamed and redistributed into three Knowledge Domains; Creativity and Critical Analysis, Nature and Technology, and Society and Culture.

Foundational Studies	Creativity and Critical Analysis	Nature and Technology	Society and Culture
