Questions regarding accessing your academic information. An example of this would be requesting your transcripts, accessing your contact information, and overseeing important dates and deadlines.
OSEEL provides opportunities for students to engage in hands-on learning through programs such as service projects & undergraduate research.

SILD is dedicated to helping students become active in campus life. Examples of this would be student organizations and community service.

The purpose of financial aid is to assist students to pursue their college education by helping them and their families meet educational expenses. Walk-in hours are during regular NIU business hours Monday - Friday.

Account counselors advise students on their financial obligations to NIU, and negotiate payment agreements for those who are experiencing difficulty meeting those obligations. This office also issues bills and monthly account statements, processes refunds and responds to account and billing inquiries.

The Scholarship Office provides resources for the scholarship application search and process. Their website has comprehensive guides to searching for scholarships.

If you are searching for a position on campus, the Student Employment Office can provide additional information and support while you are searching.
