

2009 Huskie Marching Band Uniform Accessories Information Sheet

Shoes

All members of the woodwind, brass, and percussion section of Huskie Marching Band will be required to have a pair of SOLID BLACK MTX marching shoes for the 2007 season. This is the best shoe on the market for marching band, and will protect your feet while also making it easier to march. If you need shoes, you can order them through Huskie Bands. **Price: \$35.00**

Spats

In order to achieve a clean, uniform look all members of the Huskie Band will be REQUIRED to provide their own spats. It is best if all spats are ordered through Huskie Bands. **Price: \$7.00**

Gloves

Get them now while they're cheap! All members are required to have at least one pair of white, long-wrist gloves, which can be purchased now for **\$2.00 per pair**. If you do not order any extras and your pair gets lost or very dirty, you will be charged the list price to order new ones. On the back of this sheet, please indicate your glove size.

Flip Folder and Lyre

The Huskie Marching Band performs so many different musical selections throughout the year that a flip folder and lyre are necessary for all woodwinds and brass. Use the back page of this document to order the appropriate items or purchase them from your local music store before you arrive on campus. Percussionists do not need flip folders or lyres. Sousaphone, trombone, baritone and flute/piccolo players do not need lyres.

Both the polo shirt and the jacket have the Huskie Marching Band logo embroidered above the left chest. The high quality, high performance fabrics from Adidas look great, and will last for years.
