NORTHERN ILLINOIS UNIVERSITY
BOARD OF TRUSTEES
TRUSTEE OATH OF OFFICE

Timothy A. Struthers
Trustee

November 12, 2015

Oath of Office administered by:

Marc J. Strauss
Board Chair, Northern Illinois University Board of Trustees

November 12, 2015

Trustee Struthers continued, thank you Chairman Strauss. I have a few comments. Our university has a great history with many proud accomplishments. The impact and direction of NIU has a major impact on our local and regional environments. Today, we face many headwinds. Some of those are internal, some of those are external. My objective is to advance our institution. Some measures of advancement include, improved employee morale, engagement in a positive culture at NIU; raises for employees, mostly in the lower and middle level pay grades; increase enrollment or qualified students; enhanced environment of vibrancy and safety; advance the prominence of our best colleges and grow those in emerging areas;
operate in a fiscally sustainable way for decades to come. This is a difficult assignment as everyone in this room knows, but it's a worthy cause that I can get behind and hope that I can make a positive difference and influence in NIU and the greater community. Thank you very much.

President Baker began with the recommendation for the full board to approve two action items from today’s FFO committee meeting. The first is the Intercollegiate Athletics IHSA Football Championship Ticket Agreement. This would approve the transfer of ticket revenues to the IHSA just as we did two years ago as part of a multi-year contract. President Baker asked for official approval of the transfer.

Chair Strauss asked for a motion to approve. Trustee Boey so moved and Trustee Marshall seconded. The motion carried.

_Agenda Item 7.a.2. Stevens Building Winterization_

President Baker continued, the second item is the Stevens Building winterization project and, as Trustee Coleman noted, there's a timeframe here where we need to get that work done before the snow flies and the pipes freeze. President Baker asked for approval of expenditure authority for the project not to exceed $300,000.

Chair Strauss asked for a motion to approve. Trustee Coleman so moved and Trustee Boey seconded. The motion carried.
