## Intramural Sports

### Rock, Paper, Scissors Rules

**GENERAL RULES:**

1. **All participants must meet the eligibility requirements listed in the Intramural Sports Participant Handbook. Each player must be an NIU student or current NIU Recreation Member (faculty/staff).** All expired memberships must be updated before the individual may play in any game.
2. Participants must have their *NIU OneCard* at every game. Any games in which an ineligible player signs in will be considered a forfeit.
3. All intramural participants must personally sign the *Waiver Release* and are responsible for their own medical expenses.
4. **Teams are responsible for keeping their players and spectators under control.** Misconduct of players, coaches, managers or spectators can result in penalty, ejection or forfeiture of the game. Spectators must also remain within the area designated by the IM Sports staff.
5. Alcoholic beverages, smoking, and pets are prohibited from all intramural contests.
6. IM Sports Officials/Supervisors will have absolute authority during the contest and can make decisions on any matter or question not specifically covered in the rules.

### Rock

Rock is represented by a closed fist with the thumb resting at least at the same height as the topmost finger of the hand. The thumb must not be concealed by the fingers. Note: To accommodate different throwing styles, it is considered legal for the first knuckle of the thumb to point downward.

### Paper

Paper is also delivered in the same manner as rock with the exception that all fingers including the thumb are fully extended and horizontal with the points of the fingers facing the opposing player. Use of the "vertical paper" (sometimes referred to as "the handshake") is considered exceptionally bad form.

### Scissors

Scissors are delivered in the same manner as rock with the exception that the index and middle fingers are fully extended toward the opposing player. It is considered good form to angle the topmost finger upwards and the lower finger downwards in order to create a roughly 30–45 degree angle between the two digits and thus mimic a pair of scissors.

**Paper beats Rock, Rock bears Scissors, and Scissors beats Paper**
