

Date: September 18, 2007  
To: All Graduate Students in the Department of Chemistry and Biochemistry  
From: Lee Sunderlin, DGS  
Subject: CHEM 590 meetings

The following dates have been scheduled for meeting of CHEM 590. All graduate students should attend the safety meetings. Graduate students taking CHEM 590 should attend all of the other meetings; other students are welcome to attend if they desire. All meetings are at 3:00 on Fridays, and will last one to two hours.
