#8  CLAS  Submission of Course for General Education Credit: LGBT 350

(This proposal was originally submitted at our 2012-13 #2 meeting and was tabled because the syllabus was not specific enough to be considered as an interdisciplinary general education course. In addition, the CCC wanted details as to how points translate into letter grades.)

(The LGBT Coordinator submitted the requested information and this proposal was reviewed again at our 2012-13 #5 meeting. It was tabled a second time because the CCC wanted further justification with regard to categorizing it as an interdisciplinary general education course.)
