JOB CODES/TITLES

You can **ONLY** use approved titles (see following pages--also on HRS web site). Approved titles change, so you should check the web site. You can't make up your own titles (although you are allowed to use **unofficial** titles for your own purposes or for vita purposes for the individual) but unofficial titles are **NOT** to be used on the PRF or PAF.

You should check the HRS web site for the most current list of approved titles because the list does change.

The **ONLY** way you can **CREATE** a new SPS title is by use of the P.A.P.E.R. form (section 4).
