GRE, GMAT, and LSAT Test Reviews, Fall 2010

GRE Review
Your Graduate Record Examination (GRE) scores heavily influence your ability to get into the graduate school of your choice.

Review Segments
Reading Comprehension
This section of the test measures your ability to understand what you read. The GRE Review instructor will guide you with certain techniques to enhance your knowledge and insight.

Antonyms, Analogies, and Sentence Completions
These problems test the range of your vocabulary and your ability to understand relationships between words. This review will cover the ten most common relationships used on this test and give you a strategy for vocabulary reinforcement.

Mathematical Skills
This section tests your knowledge of arithmetic, algebra, geometry, weighted averages, proportions, factoring polynomials, and more. The instructor will teach you strategies so you can apply these concepts to the word problems you will see on the test.

Presenters
Greg C. Anderson, Keith Nyquist and Mark Mattson

GMAT Review
Many business schools look at your GMAT test score and your college GPA to determine whether or not you are a good candidate for their graduate studies program.

Review Segments
Reading Comprehension
This section of the test measures your ability to understand what you read. The GMAT Review instructor will guide you with certain techniques to enhance your knowledge and insight.

Critical Reasoning
This review of logical reasoning will help you identify conclusions, discover hidden assumptions, and critically evaluate the strengths or weaknesses of an argument.

Mathematical Skills
This section on data sufficiency and discrete quantitative questions tests your knowledge of arithmetic, algebra, geometry, weighted averages, proportions, factoring polynomials, and more. The instructor will teach you strategies so you can apply these concepts to the word problems you will see on the test.

Sentence Correction
It has probably been a long time since you last studied grammar, but this review helps you avoid the grammatical and verbal traps that will be on this section of the test.

Presenters
Greg C. Anderson, Keith Nyquist and Mark Mattson

LSAT Review
Your Law School Admissions Test (LSAT) can critically influence your ability to get into the law school of your choice.

Review Segments
Reading Comprehension
This section of the test measures your ability to understand what you read. The LSAT Review instructor will guide you with certain techniques to enhance your knowledge and insight.

Logical Reasoning
This review of logical reasoning will help you identify conclusions, discover hidden assumptions, and critically evaluate the strengths or weaknesses of an argument.

Analytical Reasoning
If you don’t have a strategy, this section of the test will be difficult—if not impossible. In this part of the review, you will learn strategies for diagramming and coding conditions to solve problems and draw correct conclusions.

Writing Sample
You will be given a system for generating ideas on a surprise topic, so you can skillfully express and support the position you take.

Presenters
Greg C. Anderson
