**Review Segments**

**Verbal Reasoning**
The Verbal Reasoning section measures your ability to analyze and draw conclusions from discourse; reason from incomplete data; understand the meanings of words, sentences and entire texts; understand relationships among words, sentences and entire texts; understand relationships among words and among concepts. Your GRE instructor will guide you through the various types of questions you will encounter, teach you strategies for finding the best answer, and provide tips on developing your vocabulary.

**Analytical Writing (Essay)**
The GRE requires the writing of two essays: one developing an issue, and one developing an argument. Your instructor will explain the difference between these two essay types, discuss how these essays are scored, and present strategies for approaching and composing each essay.

**Mathematical Skills**
This section tests your knowledge of arithmetic, algebra, geometry, weighted averages, proportions, factoring polynomials, and more. The GRE instructor will teach you strategies so you can apply these concepts to the various problem types you will encounter on the test.
