APPROVED OVERSEAS SUMMER LANGUAGE PROGRAMS
ELIGIBLE FOR 2016 FLAS FELLOWSHIP FUNDING
Center for Southeast Asian Studies

Note to NIU Students:
Accreditation is being sought this year for new programs in Burma/Myanmar and the Philippines. If you want to study in these two countries, please contact Judy Ledgerwood (jledgerw@niu.edu) or Eric Jones (ejoveroti@gmail.com) to discuss this process BEFORE you submit your application. All decisions on accreditation of language schools in Southeast Asia for the purposes of the FLAS awards are at the discretion of the US Department of Education. NIU students interested in taking language or area studies abroad through non-NIU programs are advised to work through NIU's Study Abroad Office. By doing so, students can receive NIU credit and possibly have NIU financial aid apply, in addition to receiving liability and insurance protections.

Students may also apply for non-NIU programs such as ASK (Advanced Study of Khmer in Phnom Penh, Cambodia), AST (Advanced Thai Abroad at Chiang Mai University, Thailand), and COTI (Consortium for the Study of Indonesian in Central Java, Indonesia) These programs are also eligible for FLAS funding if they meet the minimum contact hours and weeks in duration.
