

NIU EMPLOYEES FEDERAL CREDIT UNION

Are you a member that cares about the future direction of your Credit Union?

Would you like to be part of the leadership that directs the financial success of your Credit Union?

Can you offer your time and service to help make your Credit Union a strong, viable financial institution?

If you answered yes to any of the above questions, I encourage you to help serve with your fellow credit union membership, and dedicate your time as a volunteer. The NIU Employees Federal Credit Union is your local, cooperative financial institution that is owned and controlled by you—the members! And we are looking for dedicated members to help promote the long term success and strength of the credit union.

This year, we have three board positions open for election. In addition, we are in need of dedicated members, like you, for helping serve on various committees. Serving on a committee provides member support for the credit union, with individuals putting in only an hour or two of service of their time per month. We are looking for members who:

- Have a strong interest/background in budgeting and finance, communications, marketing
- Are committed to accomplishing results through collaboration and cooperation
- Are willing to contribute their expertise and time

Whether as a Board Director or as a Committee Member, you can help! **Volunteers are the key to the success of the Credit Union.** You have an opportunity to help strengthen your credit union in a variety of efforts and responsibilities. Won't you please consider dedicating your time?

Applications for director positions, committees and general volunteering are available on the front page of the NIU Employees Federal Credit Union website: niucreditunion.com, or from the credit union staff. We are over 2,700 members strong, and will continue to grow in the next few years. Now is the time for you to help make that growth sustained and productive.

If you have any questions regarding volunteering with your credit union, please feel free to contact Mark Lenaway, President, or myself. I look forward to serving with you!
