It is important for students to be aware of their rights and responsibilities as they relate to applying for and receiving financial aid from Northern Illinois University.

It is important to note that financial aid eligibility is determined in accordance with the laws, regulations, and appropriation of the U.S. Congress, the State of Illinois, and Northern Illinois University, and is subject to adjustment or cancellation in the event of changes to these laws or your eligibility.

**Student’s Rights:**

- **You have the right to privacy.** All records and information submitted with your application for financial aid are confidential, and subject to legal requirements concerning disclosure of such information.

- **You have the right to request a reduction or cancellation** for your Federal Direct Stafford Loan or Federal Perkins Loan within 14 days of its disbursement, unless a refund of loan funds has already been issued by the Bursar’s Office. Remember that a student loan is a debt that must be repaid; borrow only what you need.

- **You have the right to know what financial aid programs are available to you,** including information on all federal, state, and university financial aid programs (see page 2).

- **You have the right to know the application procedures,** priority filing dates, and deadlines for each of the available programs.

- **You have the right to know how your financial aid eligibility was determined.** This includes how costs for tuition and fees, room and board, books and supplies, travel, and personal and miscellaneous expenses were determined in your estimated cost of attendance. It also includes what resources were considered in the calculation of your financial aid eligibility (such as the expected family contribution and other financial aid).

- **You have the right to know how and when financial aid is disbursed.** Make sure to check your MyNIU account for more information on these processes.

**Student’s Responsibilities:**

- **It is your responsibility to obtain and complete any necessary financial aid application forms** and submit them in a timely manner. You must read and understand all forms you are asked to sign and keep a copy of each. You are also responsible for knowing the financial aid reapplication deadlines.

- **It is your responsibility to regularly check your MyNIU and NIU student e-mail account** for correspondence from NIU and the Student Financial Aid Office.

- **It is your responsibility to keep your parents informed of all financial aid requirements and deadlines,** as well as the status of your Bursar’s Office student account (dependent students).

- **It is your responsibility to provide complete and correct information.** PURPOSELY REPORTING FALSE OR MISLEADING INFORMATION IS A VIOLATION OF THE LAW AND MAY BE CONSIDERED A CRIMINAL OFFENSE.

- **It is your responsibility to notify the NIU Office of Registration and Records** (and any lenders with whom you have loans) if there are changes in your name or permanent mailing address.

- **You must accept responsibility for all agreements that you sign.** Read and understand all forms you are asked to sign and keep a copy of each form.

- **It is your responsibility to contact the Student Financial Aid Office if you want your loan reduced or canceled.** Once you have completed the Federal Direct Stafford Loan Master Promissory Note, and completed Loan Entrance Counseling if you are a first-time borrower, the semester portion of the requested loan amount will disburse to your NIU Bursar’s Office student account. You must contact our office in writing within 14 days of the disbursement if you want the loan reduced or canceled, unless a refund of loan funds has already been issued by the Bursar’s Office.

- **It is your responsibility to meet the Satisfactory Academic Progress policies** and standards of NIU in order to maintain financial aid eligibility.

- **It is your responsibility to report to the NIU Student Financial Aid Office** any money you receive from sources outside of NIU (i.e. Rotary Scholarships, employee reimbursement, other scholarships, etc.).
**Eligibility Requirements:**

*To be eligible for financial aid, you must:*

- be a US citizen or eligible non-citizen
- be registered with Selective Service (if male)
- attend a participating college or university
- be working toward a degree or certificate
- be making Satisfactory Academic Progress
- not owe a refund on a Federal Grant
- not be in default on a Federal Educational Loan

**Enrollment Requirements:**

- Students must be enrolled in courses for credit. Coursework taken on an audit basis does not qualify for Title IV financial aid. Students can apply for Private Alternative Loans to help offset the cost of attendance.
- Undergraduate students taking a combination of undergraduate and graduate coursework will only be eligible for financial aid based on undergraduate coursework.
- Graduate students taking a combination of undergraduate and graduate coursework will only be eligible for financial aid based on graduate coursework.
- Financial aid is offered based on full-time enrollment (at least 12 credit hours per semester or in the case of the State of Illinois Monetary Award Program (MAP) Grant, 15 credit hours per semester). Following the add/drop period each semester, the Student Financial Aid Office will recalculate your awards based on your level of enrollment.
- Visiting students are not eligible for financial aid at NIU. Students may consider pursuing a consortium agreement with their home institution, or applying for Private Alternative Loans.

**Major Financial Aid Programs:**

By filing the 2009-2010 or 2010-2011 Free Application for Federal Student Aid (FAFSA) and completing any NIU Student Financial Aid requests for additional information, students are considered for the following financial aid programs, EXCEPT the Federal Direct Parent PLUS Loan, the Federal Direct Grad PLUS Loan, and Private Alternative Student Loans. Students and/or their parents must complete separate applications for PLUS or private loans. Applications and more information on loans can be found at [http://www.niu.edu/fa/types/loans.shtml](http://www.niu.edu/fa/types/loans.shtml)

<td>Illinois State funded Gift aid</td>
<td>• Need-based • Undergraduate working toward first bachelor’s degree • Illinois resident (if you are a dependent, the parent whose information is used on the FAFSA must be an Illinois resident.)</td>
<td>• Award amounts vary, based on financial need. • Non-refundable tuition and mandatory fee grant • Full award requires 15 credit hours per semester; partial award can be dispersed with enrollment between 3-14 credit hours per semester. • Award amounts are initially offered based on the assumption of full-time enrollment of 15 credit hours per semester. For each credit hour less than 15, the MAP Grant will prorate, or reduce, per program regulations. • This award is an estimate. MAP Grant funding levels are appropriated by the Illinois General Assembly. Please be aware that, in light of state funding constraints, reductions to estimated or actual MAP grants are possible. • The amount of MAP Grant, in combination with other need-based financial aid, cannot exceed demonstrated financial aid need.</td>

### Scholarships

You are responsible to report to NIU any other money you receive from sources outside of NIU (i.e., Rotary Scholarships, employee reimbursement, other scholarships, etc.). Scholarship funds will disburse to your Bursar’s Office student account one-half toward the fall semester and one-half toward the spring semester, unless otherwise indicated by the donor.

You are encouraged to apply for as many scholarships as possible. Please refer to the Scholarship Office located adjacent to the Student Financial Aid Office for the current listing of scholarships available. You may also use their online databases to search for scholarships for which you are eligible at [http://www.scholarships.niu.edu](http://www.scholarships.niu.edu)

**ADDITIONAL INFORMATION:**

For additional information regarding the Financial Aid Programs available to you, please visit College Zone at http://www.collegezone.com/index.htm

---

**FINANCIAL AID AWARD NOTIFICATION AND DISBURSEMENT:**

All students who are eligible for financial aid will have a financial aid award notification posted to their MyNIU account. It is your responsibility to review your award notification. You must access MyNIU to accept, reduce, or decline student loans and Federal Work-Study.

Financial aid funds are disbursed to your Bursar’s Office student account on a semester-by-semester basis after the add/drop period. If your student account has a credit balance, after all financial aid funds have been disbursed, you will be refunded the excess balance. You are eligible to receive those excess funds within 14 days from the date the credit balance occurs.

---

**RETURN OF FUNDS:**

All students who withdraw from NIU are subject to the Title IV Return of Funds policy. During the first 60% of the enrollment period, a student earns Title IV funds in direct proportion to the length of time he/she is enrolled. The percentage of aid earned is determined by the date the student officially withdraws, the total number of calendar days in the enrollment period, and the calendar days the student completed during the period of enrollment.
