Solicitation: Free Speech Area-Issued by NIU Legal Counsel, June 1985

University policy prohibits solicitation or leafleting anywhere on our campus with the exception of the free speech area on the Martin Luther King Commons between the Holmes Student Center and Founder's Library. Leafleting and solicitation can be conducted on the concrete covered area in the Northwesterly corner of the mall immediately adjacent to the Holmes Student Center. Care should be taken not to interfere with entrances or exits or pedestrian traffic. All wishing to use the free speech area should notify the Office of Student Involvement and Leadership Development @ 815-753-6505.

Solicitation: Doorways and Steps

For safety of all users of HSC, the distribution of materials or solicitation in or around doorways or steps is not permitted.
