OTHER ADMINISTRATIVE ANNOUNCEMENTS

**College of Law and University Communications:** All students are reminded that official communications from the College of Law and the university are sent to students’ Z e-mail numbers. Be sure to check daily for those communications and arrange to have them automatically transfer to your personal e-mail account, if appropriate to ensure prompt attention to official notices and requests. **Please note that you are responsible for the contents of these official communications whether or not you have read them, and failure to read and respond promptly may lead to adverse consequences.**

**Winter Weather Alerts:** Winter closing information is available on the university web site and is updated as weather conditions change. The university urges all students, faculty and staff to use caution and personal judgment in their travels to and from campus during winter months and to dress appropriately for protection from cold temperatures and wind.

The university also provides detailed (and often entertaining) weather forecasts from university meteorologist, Gilbert Sebenste, on a regular basis during the semester. To see what information is available and subscribe for regular weather updates by e-mail, you should go to [http://weather.admin.niu.edu/contact/subscribe.shtml](http://weather.admin.niu.edu/contact/subscribe.shtml).
**No Smoking Reminder:** The Smoke-Free Campus Act prohibits smoking in all areas of campus, including all buildings and facilities on the main campus, open spaces, stadiums and parking lots. Smoking inside private vehicles passing through campus is the only exception to this policy. The campus community collectively shares the responsibility of enforcing the policy.
