Dear President Peters:

The Council for Accreditation of Counseling and Related Educational Programs (CACREP) met January 8-10, 2009 for the purpose of rendering accreditation decisions. At this meeting, the Board reviewed an Interim Report submitted by the Department of Counseling, Adult and Higher Education to support its request for removal of the two year conditional status placed on the programs in Career Counseling (M.S.Ed. degree), Community Counseling (M.S.Ed. degree), School Counseling (M.S.Ed. degree), and Counselor Education and Supervision (Ed.D. degree).

Based on the Board's review of the report and supporting documentation, a decision was made to remove the conditions and to extend the accredited status of these programs through October 31, 2011.

Once again, the Board extends its thanks to you and your administration for the support given to this faculty in maintaining the accredited status of these programs.

Sincerely,

Carol L. Bobby, Ph.D.
Executive Director
