

DEPARTMENT OF GEOLOGY AND ENVIRONMENTAL GEOSCIENCES: TEACHER EVALUATION FORM
FOR UPPER LEVEL OR GRADUATE COURSES

Place any additional comments on the blank sheet of paper provided

1. Class standing: (a) undergraduate (b) graduate (c) student-at-large
2. Is this class in your major: (a) yes (b) no

Group 1

3. Pace of course: (a) too fast (b) about right (c) too slow
4. Level of course: (a) too advanced/too much background assumed (b) appropriate for a course of this level (c) too elementary
5. Breadth of material covered: (a) too many topics covered (b) about right (c) too few topics

Group 2

6. Course objectives and requirements were clearly established: (a) always (b) most of the time (c) sometimes (d) never (e) not applicable
7. The professor was well prepared for class sessions: (a) always (b) most of the time (c) sometimes (d) not applicable

IF APPLICABLE answer 8, 9, and 10:

8. The professor encouraged independent approaches to the subject: (a) always (b) most of the time (c) sometimes (d) never (e) not applicable
9. The instructor made helpful comments on papers and exams: (a) always (b) most of the time (c) sometimes (d) rarely (e) never
10. The professor facilitated class discussion: (a) always (b) most of the time (c) sometimes (d) rarely (e) never

Group 3: What did you think of the book(s) used?

11. As a text: (a) very useful (b) useful (c) poor (d) not applicable
12. As a reference book which you might use in the future: (a) very useful (b) useful (c) adequate (d) poor (e) not applicable

Group 4: If student oral presentations were required,

13. Your preparation and presentation advanced your knowledge of the subject: (a) extensively (b) moderately (c) minimally (d) not applicable
14. Other students' oral presentations advanced your knowledge of the subject: (a) extensively (b) moderately (c) minimally (d) not applicable

Group 5: If this course has a lab, answer 15 and 16

15. Laboratory work increased my understanding of this subject: (a) always (b) most of the time (c) sometimes (d) rarely (e) never
16. Laboratory sessions reinforced my understanding of the lecture material: (a) always (b) most of the time (c) sometimes (d) rarely (e) not applicable

Group 6

17. To what extent did this course advance your knowledge of the subject:
A B C D E
considerably adequate minimally
18. Overall, this course was: (a) excellent (b) good (c) fair (d) poor (e) very poor

Group 7

19. Overall, the teaching was: (a) excellent (b) good (c) fair (d) poor (e) very poor
20. Would you recommend this course to another student:
A B C D E
enthusiastically conditionally never
21. Would you recommend to another student that they take a course with this professor:
A B C D E
enthusiastically conditionally never
