CVPA WORKLOAD POLICY

The College of Visual and Performing Arts does not have its own Workload Policy. Rather, we operate under the Northern Illinois University Statement on Faculty Workload (found at <http://bit.ly/bdQfd4>).

In essence, the NIU workload statement states that NIU subscribes to the American Association of University Professors' statement on workload, which details a 12-hour load.

Because of the research and artistry our faculty conduct, all faculty in the CVPA are allowed three hours each semester for those endeavors, which results in a 3-3 teaching load for all CVPA faculty.
