The Northern Illinois University Chapter of National Society of Black Engineers would greatly appreciate a donation from your company to help us reach our goals for this year. NSBE seeks to develop meaningful and mutually beneficial strategic partnerships with our corporate sponsors.

We offer a corporate-collegiate partnership, an opportunity for companies to have direct access to top-tier college students in various disciplines. Our members are future engineers who possess valuable leadership and business skills.

As a strategic partner, NSBE will work to ensure that your organizational vision, mission, and goals are reflected in our efforts and our sponsorship packages are flexible enough to fit the recruiting and branding needs of your company.
