The Giving Project

There are Huskie students who need food; they also need nice warm scarves for the coming winter! The following are the materials you need to crochet or knit a scarf:

**Crochet:**
- 1-2 (7 oz.) or 2-4 (50 gram)* skeins of worsted weight yarn
- Size J crochet hook

**Knit:**
- A pair of size 9 or 10 knitting needles
- 1-2 (7 oz.) or 2-4 (50 gram)* skeins of worsted weight yarn
*Amount depends on width and length of scarf.

Members of The Giving Project also have the opportunity to produce tote bags for Huskie students or other community members and sleeping mats for people who are homeless and without shelter. The following are materials you need to crochet a tote bag or sleeping mat:

- Plastic grocery bags
  (Obtain them from recycle bins at stores. OSC will have a limited supply available at the workshops.)
- Sharp pair of scissors
- Size K crochet hook

Crochet or knit a scarf, crochet a tote bag or sleeping mat, or come to a workshop with your own ideas of what to make. No experience is necessary. There will be an instructor on hand for novices. Come to one, or as many as you like.

The workshops are held on Thursdays from 12:00-1:00 p.m. in the Holmes Student Center Glidden Room (on the ground floor next to the OneCard ID Services office) on the following dates:

- 9/29
- 10/13
- 10/27
- 11/10
- 12/1
