VII. President’s Reports

A. Board of Trustees
   Met on February 25, 2010, and went into three hours of executive session.

   A number of FY2011 student fees were approved; a 2.97 percent aggregate increase. FY 2011 Student Residence Hall Room and Board Rates reflecting a 7.50 percent increase were also approved.

   Lisa Freeman was introduced as the new Vice President for Research and Graduate Studies. She will begin her duties on July 1, 2010.

   The Board approved a new Bachelor of Science in Philosophy while deleting the Bachelor of Arts in Russian.

B. Faculty Senate

   Discussion centered on library materials, mostly periodicals, which have either been disposed of or donated to other places. The faculty feel that they were not informed well enough about this change. A motion was passed to have these materials retrieved. It was noted that currently all of the materials that were either disposed or donated are available electronically on JSTORE. The departments with the greatest concerns are math and art as the quality of the scan is not as clear as the originals. There was also discussion concerning interest in implementing a plus and minus grading system. The consensus was split down the middle between departments. It was sent to committee for further study.
