VII. President’s Reports
A. Board of Trustees
Met Thursday, March 24, 2011.

- The President began his remarks telling of the NIU testimony at the recent Senate appropriations hearings in Springfield. He reported that the governor’s budget would maintain funding at last year’s level. The state is behind in payments to NIU by more than $65 million. The last payment from the state was on March 4, 2011. He then discussed pension reform and stated that the next 60 to 90 days will be critical to every employee and annuitant of NIU. All options under consideration will result in decreased future benefits and increased costs to employees. He announced that he is appointing an ad hoc pension advisory committee of faculty, staff, and annuitant experts to help develop proposals for consideration by the legislature.

- Twenty-six action items were approved including:
  - Student fee recommendations for FY2012 average increase of 2.73%
  - FY2012 room and board rates – an average of 5.2% increase.
    - There was zero percent increase in board rates. These increases represent increases in utility costs and unfunded state mandates (i.e. sprinklers installed in every residence room).
  - FY2012 NIU Foundation Professional Services Contract.
  - FY2012 student health insurance contract renewal.
  - Phase I of the campus-wide electrical infrastructure improvements.
  - 2011-12 sabbatical leaves for faculty and SPS
  - New emphases in Sustainable Energy, Environment and Health, and Health Promotions and minors in International Marketing, and Deafness Rehabilitation.
  - Deletion of a specialization in Comparative and Developmental Administration
  - Jerry Blakemore was appointed Vice-President of University Legal Services and General Counsel
  - Honorary doctorates will be awarded in May to Eric D. Isaacs, a prominent UIC physicist and Director of Argonne National Laboratory and to Leland Strom, Chairman and CEO of the Farm Credit Administration

- There were 10 informational items.

B. Faculty Senate
Met Wednesday, March 30, 2011.

- The pros and cons of on-line student evaluations of instructors were discussed. Some pros were ease of on-line use and less class time and supplies wasted. Some cons included low response rate and the effect this could have on tenure as well as time spent typing up responses. The issue was sent to the Academic Affairs Committee for further review.
Joint appointment policy was discussed. There is concern when one department does not want to continue an appointment but the other department does and how this affects continued employment, funding of position, and tenure. This was sent to the Faculty Rights and Responsibilities Committee for further review.

Earl Hansen gave a report from the IBHE that was held at Kennedy-King College in Chicago. The intent of the meeting was to make some headway with policies, procedures, and protocol with tenure and promotion. There was some discussion of the learning process going on and with higher education funding being cut drastically, there are a lot more online programs developing.

George Slotsve from the Faculty Rights and Responsibilities Committee presented a proposal for a “Guests in Class Policy.” It reads that only instructors have the right to allow guests in their classroom. When deciding whether a guest is appropriate, the instructor should take into consideration the effect the guest will have on the learning environment. The individuals present in the classroom should be limited to the instructor of record, students registered for the class and individuals invited by the instructor. The policy was approved and will be forwarded to University Council for approval.

David Goldblum gave the Resources, Space and Budgets report. At the meeting Dr. Williams discussed many budget and pension issue discussed in other meetings.

Alan Rosenbaum’s letter of acceptance of nomination for another term of President of Faculty Senate and Executive Secretary of the University Council was pointed out in the meeting packet.

C. SPS Council
Met Thursday, March 10, 2011

SPSC voted to not participate in the Wellness Fair this year.

President Latham announced that there is discussion of a new parking permit being developed. It will be purple. The parking will be at the Convocation Center with a shuttle. The permit will be at a reduced rate from the annual $100 blue permit.

It was announced that the Library now has iPads that can be checked out at the Reference Desk.

The list of Presidential Awards recipients was given. They are: Patricia Sievert, Dan Nichols, Abby Chemers, and Kate Braser. Todd Latham will receive the SPSC Service Award. They will be honored at a reception on April 19, 2011, in the HSC Ballroom.

There was discussion of the SPS Reward and Recognition system. It currently is like the Faculty system that begins receiving awards after 25 years of service. It will be looked into to see if these can begin with earlier service plateaus.
D. University Council
Met Wednesday, March 9, 2011.

- Dean Denise Schoenbachler conducted the meeting in the President’s and Provost’s absence as they were at the Appropriations Hearings in Springfield.
- The College of Law academic calendars through 2014 were approved

- Laurie Elish-Piper gave the Resources, Space and Budgets report. (see Goldblum under Faculty Senate Report)
- M Cecil Smith presented the NIU Nepotism Policy Statement corrections from the University Affairs Committee. It was the opinion of the committee that the policy appeared to be adequate as stated. However, there were some minor edits to wording. The committee looked at the policies of other institutions, and NIU’s policy seemed to be comparable, if not better in some cases, to the policies of other institutions. After much discussion it was recommended that the policy revisions be taken to the President to take to the Board of Trustees.

Met Wednesday, April 6, 2011

- The President talked about the shooting that occurred off campus on Wednesday morning. The victim was Devon Butler one of NIU’s football players. DeKalb and NIU authorities were thanked for their quick response and efficiency. Devon came out of surgery and is expected to make a full recovery. He discussed the dismal budget. He congratulated the Honors Program on their 40th anniversary. He announced the ground breaking for the new residence hall will be on April 18, 2011. He introduced the new General Counsel Jerry Blakemore.
- Alan Rosenbaum gave the Board of Trustees Report.
- Pat Henry gave the Academic Policy Committee Report. She presented the proposal of a common question that should be on teacher evaluations. After much discussion of wording it was decided that the wording of the proposal should read: My overall rating of the instructors’ effectiveness to present the courses objectives and goals is:
  - Outstanding = 5
  - Very good = 4
  - Average = 3
  - Below Average = 2
  - Inadequate = 1

  It was encouraged that this be the final question on all instructor evaluations in all departments. The proposal was approved.

- Laurie Elish-Piper gave the Resources, Space and Budgets report from their March 25, 2011 meeting. Dr Williams presented an update on the current budget situation. He shared a recommendation for Phase I of the campus wide replacement of the Electrical Distribution System in response to recent campus power outages. The RSB will be preparing a memo regarding NIU’s budget priorities. The campus community is asked to share their input as soon
as possible regarding budget priorities, proposed pension changes, tuition waivers, or health care benefits. Please e-mail the RSB Co-Chairs: Laurie Elish-Piper laurieep@niu.edu or David Goldblum dgoldblum@niu.edu.
