Adapting to Fee-for-Service Funding
Addressing the challenges faced by Community Behavioral Health Organizations with just-in-time information and action planning.
David R. Lloyd has developed new healthcare management, training and community relations/marketing initiatives for Community Behavioral Healthcare Organizations (CBHO) nationally. He is the author of *How to Maximize Service Capacity* and *How to Deliver Accountable Care* that have been very helpful to CBHOs nationally. In his books, Mr. Lloyd has developed principles and solutions about how CBHOs can deliver “Best Value” accountable care.

Mr. Lloyd has been a featured presenter at numerous national, regional, state and local workshops and conferences. His strength lies in his energetic, motivational and focused “We Can Do This” consultation style. His expertise is built on a foundation of over 35 years of experience in both private-for-profit and CBHO settings. Mr. Lloyd has provided consultation in statewide, regional and individual initiatives to over 400 community behavioral healthcare agencies. He is based in the Raleigh, North Carolina area.
