Commuter (Yellow) Permit Holders

Campus Parking Services is doing its best to protect commuter spaces for those who truly commute. Inaccuracy of record information can result in a \$100 fine and loss of parking privileges. If you are requested to return your yellow permit because you do not qualify for it, you will not be eligible for a refund. Green Permit Holder Agreement and Information

In the event that the Convocation Center has a sold-out event, you may need to relocate your vehicle for a short period of time. Information of such events and where you should relocate your vehicle to during this time will be available in a timely manner. The transfer of information will be a joint effort between Campus Parking Services and Green Permit Holders. If you do not relocate your vehicle when you are supposed to, it will be relocated at your cost. You will be issued a ticket for the relocation fee. I have read and understand the Green Permit Holder Agreement.
