## Citizens Divided: Should Congress Limit \$ on Political Messages?

*Was "corporate personhood" created by Citizens United v. FEC? Is political speech a right for the 99% or the 100%? Should the Constitution be amended to allow limitations on what (or if) corporations can spend on political messages? Is influence by corporations & unions over the political process a problem? What's the fairest way to deal with it?*

**TUESDAY, February 7, 5 - 6 p.m. Riley Courtroom (170)**

**ALLISON HAYWARD**

**PROFESSOR CORDES**

**&**

Vice President of the CCP & Former Counsel for the Federal Election Commission

First Amendment, Constitutional, Property, Land Use Controls, and Environmental Law
