WHY GIVE?

TRADITION: You’re beginning a tradition of students helping students that will be passed on after you graduate.

BRAGGING RIGHTS: The more support the program—and NIU—gets, the higher ranked we become in national polls, which increases the value of your degree.

HELPING STUDENTS LIKE YOU: Let others have the same awesome experiences you did. Internships! Trips to D.C! Mock Trial!

SOMEONE DID IT FOR YOU: Each year, thousands of alumni give back to support students like you. It’s never too soon to make your own mark on the department & the university.

Donate Now

It only takes a gift of $20.15 to start the tradition.
