ENROLLED SENATE BILL No. 34
Forty-Fourth Session

Author(s): Speaker James Zanayed

First Reading: 10 February 2013

WHEREAS, the current wording that requires organizations to go through the full recognition process for a governing documents change is overtly cumbersome;

WHEREAS, an overly complicated process for reporting name changes and governing document changes deters organizations from reporting such changes.

Therefore the students of Northern Illinois University represented in this Senate enact that Part III, Article 2, Section 4.C of the Student Association Bylaws shall be struck and replaced with the following:

C. Any modifications or changes by a student organization that results in a change in the information turned into the SA must be submitted to the SA Vice President within fourteen (14) days. Any change to an organization’s constitution and governing documents must be reviewed by the Vice President and SA Senate. In the occurrence of a name change, the organization must complete the appropriate request form and is subject to approval under the discretion of the Vice President. All approved name changes shall be reported to the SA Senate and may be subject to review at the discretion of the Senate.

This act is ordered to take immediate effect.
