ENROLLED SENATE RESOLUTION
No. 25
Forty-Fourth Session

Author(s): Senator Mike Theodore

First Reading: 28 October 2012

WHEREAS, students have repeatedly voiced the opposition to changing or grading system;

WHEREAS, the plus minute grading policy would create further boundaries preventing student success;

WHEREAS, the freedom of professors to either use the plus/minus system or use the current system disrupts the grading conformity of the University;

WHEREAS, this policy would adversely affect students seeking financial aid or a post-graduate education by making it more difficult to maintain a high GPA;

WHEREAS, the University seeks to increase the academic success of the students in Vision 2020, but a plus/minus policy would most likely reduce the number of 4.0 students and overall GPA.

Therefore, the students of Northern Illinois University represented in this Senate urge the University to discontinue efforts to implement a plus/minus grading system.

This act is ordered to take immediate effect.

I hereby verify that the Student Association Senate has approved the following legislation in accordance with the rules and requirements set forth in the Student Association Constitution, Bylaws, and Senate Operating Rules and Procedures.

Chad Harris, Clerk of the Senate

Austin M. D. Quick, Speaker of the Senate
This legislation is now considered binding under the laws of the Student Association, given under my hand in DEKALB, ILLINOIS on the TWENTY-EIGHTH day of October in the year of our Lord Two Thousand and Twelve.
