ENROLLED SENATE BILL No. 11

FORTY-SEVENTH SESSION

Author(s): Senator Brandner

Sponsor(s): Senator Phillips, Senator Vanover

First Reading: 24 January 2016

Whereas, There are currently multiple different criteria for office, dependent upon which sections of the Constitution and Bylaws one is referring to; and

Whereas, There are sections of the SA Bylaws regarding qualifications that contradict the Constitution; and

Whereas, There are sections of the SA Bylaws that quote the Constitution verbatim, which is an unnecessary redundancy; and

Whereas, It is important to keep clear and consistent language throughout the governing documents;

Therefore, the students of Northern Illinois University represented in this Senate enact that:

First That Part I, Article IV, Section 1 of the Northern Illinois University Student Association Bylaws be amended by striking all language inclusively between “To hold any elected or appointed,” and “SA position and undergraduate student.”

Second That Part II, Article IV, Section 1 of the Northern Illinois University Student Association Bylaws be amended by striking the entirety of the language contained within the section.

Third That Part II, Article V, Section 6 of the Northern Illinois University Student Association Bylaws be amended by striking the entirety of the language contained within the section.

Fourth That Part II, Article IV, Section 4 of the Northern Illinois University Student Association Bylaws be amended by striking the entirety of the language contained within the section.

Fifth That all parts, articles, and sections of the Bylaws containing language striken by the previous four enactments be amended by adding “This position is subject to the requirements for qualification specified under the Constitution of the Northern Illinois University Student Association, Article II, Section 4.” in the each location previously containing the striken language.

This act is ordered to immediate effect.
