

# NIU's Spooky Science Saturday Haunted Physics Creepy Chemistry

Scientists haunt Faraday  
Hall for 7th year

NIU's Haunted Physics Labs and Creepy Chemistry Labs are back! Join us for Spooky Science Saturday, a family friendly, Halloween themed event, with over 100 interactive displays of chemical reactions and physical phenomena spread through 7 laboratories and the halls of 2 adjacent buildings. There will be opportunities for children to make slime and zipper pulls with UV reactive beads. Explore optical illusions and learn how things can glow in the dark. New this year is a kaleidoscope that children can duck into!

**Date:** October 24, 2009

**Time:** 1 - 5 p.m. (If bringing a group of 15 or more, please contact Pati Sievert [psievert@niu.edu](mailto:psievert@niu.edu) to arrange a time. Groups are scheduled prior to 1 p.m.)

**Where:** Faraday and Faraday West Halls on NIU's DeKalb campus

**Enter:** Faraday West Main Entrance on Normal Road

**Park:** Free parking is available in the parking garage just across Normal Road from Faraday West

**Cost:** Suggested donation of \$2.00 per person

**Costumes:** optional
