I. Meeting was called to order at 9:34 AM by Chair Cheryl Ross
II. The Agenda was approved.
III. The Minutes from the February 20, 2013 meeting were approved.
IV. New Business
   • Jim McDougall did a Power Point presentation on the new DeKalb Police Station being built. He had pictures of the current station and then the new one as a comparison. They are saying the completion date is in 7 months (September).
V. Old Business
   • Tim Bradner reported on the pedestrian safety initiative. He talked to the RHA Executive Board and they decided right now was not a good time to work on this because of the end of the year finals and in another week they will be voting in a new Exec. Board for next year. He also worked with Daihee Cho and he was in agreement with this. RHA did like the idea of working on this initiative they were just concerned about the time to devote to it right now. They talked about doing a poster initiative in the Residence Halls. Dave Scharenberg also said he wanted to talk to Jim Murphy about repainting the crosswalks. The NIU PD is dedicated to crosswalk use. They have some officers posted at crosswalks on Lucinda. The question came up about over & under passes on Annie Glidden Rd. Sgt. Przybyla said Glidden is a truck route so an over pass wouldn’t work. An under pass would be very costly. Tim asked about having an automatic activation light. Tim also said he will be talking to the new RHA Exec. Board and giving them a list of items to discuss at this meeting.
   • Dave Long went to a conference on smoke free campus’s so next time he will report on that.
VI. Next Meeting – April 17, 2013 – 9:30 am – Location TBD
VII. Meeting adjourned at 10:05 AM
