CAMPUS SECURITY AND ENVIRONMENTAL QUALITY COMMITTEE
MINUTES
March 19, 2014, 10:30 AM
Lowden Hall rm 304

Present: Dain Gotto, Mary Lou Read-Dreyer, Philip Carpenter, Paul Carpenter, Sgt. John Votaw, *Dave Scharenberg, Melissa Burlingame, Neil Dickey

* Committee Chair

Excused: Roger Maas, Cheryl Ross, Laura Beamer, Sue Bidstrup, James Murphy, Tina Berg, Sabrina Hull, Chris Brough, Sgt. Jim McDougall, Derrick Martin, Kevin Malone, Judy Andres,

1. Meeting called to order at 1030

2. The minutes from February 19, 2014 were approved

3. Old Business: The committee discussed the Crosswalk Initiative and primarily how the committee would perform the project. The charter of the committee is to discuss issues brought to its attention and to recommend continuation of a project if the committee considers it worthy as opposed to performing the project. Members present felt that the Crosswalk Initiative is a worthy project and Mr. Scharenberg will create a proposal to be reviewed by the committee. The committee will then forward the proposal to the necessary entities.

Mr. Gotto presented some information Asphalt Art dealing with sidewalk graphics. Signs can be manufactured and applied directly to the sidewalk and used as “attention getters”. They are resistant to foot traffic and can be removed at any time. Costs would be approximately $67 for a 24X36 graphic depending upon the numbers ordered. This information will be included in the proposal.

4. New Business: Mr. Scharenberg briefly discussed the possibility of a “Smoke Free Campus” mandated in the near future. The committee will discuss the issues as it arises.

Sgt. Votaw discussed the concern that personal “visibility” on campus can be compromised by lack of tree pruning, shrubs and other vegetation. There are services available through Public Safety if someone is concerned. This issue is also been brought to the attention of the Ground Department.

Capital improvement projects have addressed and continue to address lighting on campus. Many improvements have been made through the conversion to LED lighting.

5. Next meeting scheduled for April 16, 2014 at 10:30 in Lowden rm 304

6. Meeting adjourned at 11:20
