Announcements

Douglass welcomed guests Prisca Collins and Sally Conklin to the meeting.

Douglass announced that there is a team working on the resource room. Another team, called the “Red Team” has been created and includes HLC peer reviewers Beth Towell, Promod Vohra and Brad Bond. They will do a modified short version of looking over the report and resource room and giving feedback on how we can improve it and/or add things to it. We look forward to their feedback. The Higher Learning Commission will be here on March 3-5, 2014.

Parker went over the nominations list for the 2014 Assessment Expo. The next step will be to send them congratulations letters and to contact them about the details of the Expo. Beth Towell made a motion to accept the 2014 Assessment Expo nominations list and Therese Clarke Arado seconded the motion.

Status Report for the B.S.Ed. in Health Education

The status report for the B.S.Ed. in Health Education was discussed. Sally Conklin, Professor, School of Nursing and Health Studies, was on hand to discuss the report and answer any questions the group may have had. Feedback will be sent to the program.

Status Report for the B.S. in Public Health

The status report for the B.S. in Public Health was discussed. Sally Conklin, Professor, School of Nursing and Health Studies, was on hand to discuss the report and answer any questions the group may have had. Feedback will be sent to the program.

Status Report for the Masters in Public Health

The status report for the Masters in Public Health was discussed. Sally Conklin, Professor, School of Nursing and Health Studies, was on hand to discuss the report and answer any questions the group may have had. Feedback will be sent to the program.

Funding Requests

Douglass let the group know that this year we have $8,000.00 to spend on all funding requests.
The UAP reviewed several funding requests and voted to fund assessment initiatives for the following programs/units:

School of Nursing and Health Studies
School of Allied Health and Communicative Disorders
First Year Composition Program
Planning and Assessment

Funds must be expended in FY14.

Assessment Funding Reports from the Asian American Resource Center, Department of Chemistry and Biochemistry, Health Enhancement, and Planning and Assessment

The UAP reviewed the assessment funding reports for the Asian American Resource Center, Department of Chemistry and Biochemistry, Health Enhancement, and Planning and Assessment and voted to accept the reports.

The meeting was adjourned at 11:55 am. The next meeting is scheduled for 17 January 2014 in Altgeld 203 at 10:00 am.
