

Certificate of Undergraduate Study in Logistics
Industrial & Systems Engineering
Northern Illinois University

Name _____ Student ID _____

Address _____ Phone _____

City _____ State/Zip _____ Email _____

Major _____

This certificate equips undergraduate students with skills required to effectively manage a supply chain and its constituents. Effective management of supply chain and its constituents is important to effectively and efficiently compete in a global economy. Students must achieve a minimum of a C in each course applied toward the certificate. Courses used to satisfy the requirements for this certificate may, with approval of the major department, be applied toward an undergraduate major. Some courses may have prerequisites that are not part of the certificate curriculum.

Students in catalog year Fall 2019 and later are eligible to use the courses below for this certificate.

Interested students, please apply prior to the beginning of the semester in which you will complete the last of the four (4) courses listed below. Application should be submitted to the ISYE office. Please contact the Department of Industrial and Systems Engineering (815)753-1282 with any questions.

Complete 4 of the following:

<u>COURSES</u> (Choose 4 from below)	<u>COURSE TITLES</u>	<u>SEMESTER COMPLETED/GRADE</u>	
ISYE 440	Production Planning and Control (3)		
ISYE 460	Facilities Planning and Design (3)		
ISYE 461	Warehousing and Distribution Systems (3)		
IYSE 466	Analysis and Design of Supply Chain Systems (3)		
ISYE 470	Introduction to Data Analytics for Engineers (3)		
ISYE 474	Scheduling and Logistics (3)
