Admissions Requirements & Transfer Recommendations

To be eligible for admission to the B.S. in Engineering Technology degree-completion program, with an emphasis in Applied Manufacturing Technology, you must have completed an Associate of Applied Science (AAS) degree in a technology-oriented related field (see *Technology Area of Study*, below).

Prospective transfer students should do the following:

- 1. Complete and submit an online application for admission at www.niu.edu/admissions/apply (\$40 application fee) along with official copies of academic transcripts to the Office of Admissions. NIU's Transfer Center can be reached at (800) 892-3050 or transfercenter@niu.edu.
- 2. Work with your community college advisor to select the best courses for transfer (i.e., General Education and Program Prerequisites, many of which can be incorporated into an AAS degree program). See below for more details.

Academic Requirements

Undergraduate students must successfully complete all NIU graduation requirements and earn a minimum of 120 semester hours, including general education requirements and 40 hrs in upper-division (300-400 level) courses. Approved transfer courses may be used for these requirements. Students must earn a minimum of 30 hrs at NIU and maintain a minimum cumulative 2.00 ("C") grade point average.

1. General Education and Technology Foundations: Students must complete the following. Consult NIU Articulation Tables for all course equivalents at <https://www.niu.edu/admissions/transfer/credits.shtml>
