Previous foreign language background may reduce or fulfill the B.A. requirement, and previously taken laboratory science/mathematics/computational skills courses may reduce or fulfill the B.S. requirement.

² A minimum of 24 hours of electives must be taken at the 300 level or above. If fewer than 15 credit hours of philosophy are transferred, some of the electives taken at NIU must be in philosophy so that the total number of philosophy electives is 15.
