Notes/Comments: Students must have a cumulative NIU GPA of 2.4 and complete the mandatory requirements listed in the NIU Catalog to complete the practicum.		

Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU.
