Notes/Comments: MUTC 301: Theory V (2 credits) can be taken instead of MUHL 323 (3 credits). If so, take MUHL 301 (only offered in Spring) in Sem. 6.. Talk with your advisor on how best to reorganize your schedule with other required classes and the semesters in which they are offered.

Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Scores in optional placement exams - foundational studies competency and/or language exams - as well as the completion of AP exams and/or college credit may change the plan. This should **not** be used in the place of regular academic advising appointments. All students need to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU.
