SE Asia Opportunities

• Maintain and strengthen NIU’s international reputation in a region where we are well-known and respected

• Increase alumni engagement through creation of formalized SE Asia alumni network

• Publicize and celebrate synergistic teaching, research and engagement initiatives to reinforce our values and strengthen our brand

• Nurture new and existing partnership to support leadership development, academic success, research excellence, and economic development.

• Pursue collaborations that leverage the success of NIU program alumni and provide unique platforms for our students and faculty

• Align faculty hiring with succession planning and strategic opportunities

• Grow enrollment through strategic partnerships
