Student Emergency Fund

- Student Emergency Fund (SEF) existed prior to spring 2020 but had no formal structure and limited funding.
- As part of the SEM plan, began working to reestablish the SEF in fall 2019.
- COVID-19 intensified the need to make it operational spring 2020.
COVID-19 Experience

“I am currently living in my small, 2 door car after being laid off from my job due to the Covid-19 pandemic. I lost my apartment because I cannot pay the bills anymore. Also, I have been eating no more than a pack of ramen noodles a day. That is on a good day. Needless to say, my life has hit rock bottom shortly after the stay at home order was issued. All of the money I have worked for has been spent on trying to keep myself alive.”
