May 31, 2022 JP
DEAN OF THE COLLEGE OF ENGINEERING AND ENGINEERING TECHNOLOGY AND CHAIR, SCHOOL OF NURSING SEARCH UPDATE

At the December 10, 2020, Board meeting, the Board authorized the President to select executive search firms for the appointment of executive level positions. It was further recommended that the President periodically report back to the Board regarding selection and status of such searches. Further, provisions of Public Act 97-0814 and the Northern Illinois University policy on the use of external search firms approved by the Board of Trustees on May 23, 2013, allow the use of an external search firm for senior level positions when needed.

Dean Donald R. Peterson, Dean of the College of Engineering and Engineering Technology, will be finishing the last year of his appointment in this position. Dr. Susan Caplan resigned as Chair of the School of Nursing effective August 1, 2022. The Office of the Executive Vice President and Provost will be utilizing an executive search firm for each position per the approval of the Board of Trustees as noted. Due to the critical roles and functions that these positions fulfill at the university, there is a justifiable need to use search firms for such positions, per paragraph (2) of the university’s policy. The executive search firm will enable NIU to recruit a diverse and experienced pool of candidates. In cases where the Illinois Procurement Higher Education Consortium list has prequalified firms with the appropriate expertise, the list will be used to select the firm. In some cases, there may be additional expertise needed and an RFP for services may be done through the Procurement Office, following the appropriate process and procedure.
NORTHERN ILLINOIS UNIVERSITY POLICY
ON THE USE OF EXTERNAL HIRING SEARCH FIRMS

Pursuant to the Northern Illinois University Law, as amended by Illinois Public Act 97-814, it is the policy of Northern Illinois University that charges for the services of an external hiring search firm may not be paid from any source of university funds, except:

(1) In the hiring of the President of the University, or
(2) In the case of when the Board of Trustees and the President demonstrate a justifiable need for guidance from an individual or firm with specific expertise in the field of hiring.

In furtherance of this authority, the President may implement this policy through the development of further guidelines and procedures for determining when the use of an external hiring search firm is justified. The Board and/or the President may delegate their respective responsibilities under this policy to appropriate university officials as deemed necessary.

Any NIU hiring department or entity that wishes to utilize the services of an external hiring search firm must make a request to the Office of the President for appropriate review under this policy before engaging the services of such search firm. In determining whether a request qualifies for the justified use of an external hiring search firm, the President will consider the following applicable criteria:

- The nature and scope of the position being filled (e.g., senior level versus non-senior level);
- The nature and scope of the search (e.g., nationwide versus local or regional);
- The university’s goals and priorities surrounding the search;
- The availability of personnel, monetary resources and other university resources to dedicate to the search;
- An external search firm’s ability to help recruit and screen candidates;
- An external search firm’s ability to enhance the quality of a candidate pool;
- An external search firm’s ability to help conduct and coordinate the logistics of a search;
- The expertise/specialization of an external search firm in conducting searches
- An external search firm’s ability to bring fresh and new perspectives from outside of the university.

Northern Illinois University understands that the determination of whether a search is justified in using the services of an external hiring search firm depends upon the unique circumstances of the search being conducted. The President is not prohibited from considering other factors that may be deemed relevant and important for a search.

Upon completing a review, the President will determine whether justifiable need exists for the selection of an external hiring search firm and shall make a recommendation to the Board of Trustees for final action on the matter at any regular or special meeting of the full Board of Trustees. In its consideration of the matter, the Board will consider the above-referenced applicable criteria, as well as any other factors that may be deemed relevant and important. The Board’s decision will be final.

2021-2022 FACULTY EMERITUS RECOGNITION

Universities have a long tradition of granting emeritus status to faculty who retire in good standing. Northern Illinois University has created a regular process for the identification of retirees for whom the emeritus designation is appropriate. A list of ranked faculty who have announced or finalized retirements during the fiscal year is prepared annually by Human Resource Services and reviewed by the Executive Vice President and Provost for presentation to the Board of Trustees. This list includes retirees whose date of retirement falls in the period 7/2/2021 – 7/1/2022. Faculty granted emeritus status after 7/1/2022 will be recognized in August 2023. The University hereby informs the Board of Trustees of the retired faculty members designated as emeritus for FY23.

The faculty being granted emeritus status, with their departments, ranks, any special status, and dates of retirement are as follows:

NIU Professor Emeritus Status

- Emeritus faculty members are an important asset to NIU, and they contribute in many ways to NIU and the community after retirement.
- When the need arises, emeritus faculty teach, pursue research and sponsored project opportunities, serve on graduate committees, serve temporarily in key administrative positions when necessary, and continue to serve NIU in many ways.
- NIU is one of few state universities where the emeritus status granting process is simple and straightforward. Retired faculty members do not have to fill out any special paperwork and their departments do not have to review any nominations or approve the emeritus status. There is no fee for obtaining the emeritus status either.

Policy

The Policy Library states:

“The designation of emeritus status is granted by the University and Board of Trustees to tenured, ranked faculty members who retire from the university in good standing.

A retiring tenured, ranked faculty member is in good standing provided:

a) Any financial obligations to the university have been settled;
b) No termination proceeding has been initiated against the faculty member and remains pending at the time of retirement; and,
c) The faculty member has not been discharged for cause.”

In exceptional cases, Emeritus Status may be granted to other faculty members based on merit and a recommendation to the president.

Faculty who are granted Emeritus Status will retain their professional rank and title at the time of retirement followed by the designation “Emeritus” or “Emerita”. Faculty titles are "Assistant Professor," "Associate Professor," "Professor," "Presidential Engagement Professor," "Presidential Research Professor," "Presidential Teaching Professor," "Distinguished Engagement Professor," "Distinguished Research Professor," and "Distinguished Teaching Professor.”

Process

The Policy Library states:

- A list of names of the tenured, ranked faculty who have retired during the fiscal year and the names of those tenured, ranked faculty who plan to retire before the beginning of the next academic year will be prepared by the Office of Human Resource Services each year prior to May 15 and forwarded to the provost.
- The list will consist of all tenured, ranked faculty who have signed formal retirement agreements or filed State Universities Retirement System (SURS) applications through Human Resource Services prior to May 15 of a given year.
- The provost will review the list to determine the standing of the faculty for Emeritus Status. Those tenured, ranked faculty who are in good standing will be recommended to the president who, in turn, will submit the list of faculty as an information item to the Board of Trustees at its next regularly scheduled meeting.
- Once a tenured, ranked faculty member’s name is presented to the Board of Trustees for Emeritus Status, the retired faculty member may officially use the Emeritus designation. The Provost Office sends them a confirmation letter.
Recognition

- Emeritus faculty members are recognized by the President, Provost and Presidents of the shared governance bodies for their service and contributions along with all retired employees at the annual recognition reception organized by the annuitants association and HRS.
- Faculty Senate acknowledges emeritus faculty in its newsletter to all faculty.

Benefits

Below are some of the benefits to faculty that are named “Emeritus” or “Emerita.”

1. Keep their professorial rank in retirement.
2. Continue to have free access to NIU Libraries.
3. Receive research support services and access to research software and databases when pursuing research and scholarly activities through NIU.
4. Teach or serve in interim administrative roles as needs arise.
5. Serve on graduate theses and dissertation committees as needed.
6. Continue to have access to NIU email as allowed by email policies and license agreement.
7. Eligible to take courses at NIU similar to current employees.
8. Receive dependents’ tuition benefits at NIU similar to current employees.
9. Get discounted parking permit (currently $10/year) for parking on NIU campus.
10. Eligible for office space for teaching and research/artistry as allocated by their departments.
11. Participate in recruitment and other events representing their departments and colleges.
12. Represent NIU’s retirees in SUAA and other state-level bodies.

The most significant benefit that cannot be measured is the title that shows the faculty member has finished his or her distinguished career in a good standing and continues to hold the professorial rank at the institution and contribute to the university and their disciplines.
SHARE EQUITY LEADERSHIP UPDATE

Vice President for Diversity, Equity and Inclusion and Chief Diversity Officer Vernese Edghill-Walden will present on Shared Equity Leadership.
