IF YOU ARE RECEIVING FINANCIAL AID PLEASE READ AND TAKE APPROPRIATE ACTION. NO ACTION IS REQUIRED IF YOU ARE NOT A FINANCIAL AID RECIPIENT.

I authorize Northern Illinois University to use any credit balance of federal financial aid after payment of tuition, student fees, residence hall and meal plan charges to other charges as outlined below. I understand this authorization is voluntary, will remain valid as long as I am a student at NIU and that I can rescind the authorization by contacting the NIU Financial Aid and Scholarship Office.

Federal regulations define the allowable charges which can be credited or paid with Title IV financial aid. Title IV aid includes the Federal Pell Grant, TEACH Grant, Supplemental Educational Opportunity Grant and Federal Direct Student Loans (Subsidized, Unsubsidized and PLUS). Allowable charges include tuition, fees, housing and meal plan charges. Title IV aid is automatically applied to these charges. Any remaining Title IV aid can only be applied to other institutional charges if voluntarily authorized by the student.

Financial aid applicants can use Title IV aid to pay for books and course supplies. They may do so by charging books and supplies to their bursars account at the NIU or Village Commons bookstores. Maximum charge amounts are set each semester. The charge process includes authorization to use Title IV aid to pay for books and acknowledges the student is responsible for the book charges if there is no remaining aid after other allowable charges are paid.
