Commons is a nonprofit organization whose mission is to partner with individuals, families and communities to overcome poverty, discrimination and isolation. To fulfill that mission, Chicago Commons provides high-quality early childhood education, family-centered adult education, and senior services to more than 3,000 individuals annually. Chicago Commons' Early Childhood Education Programs are Reggio inspired program that implement a problem-solving approach to learning, provide unique engaging environments, include extensive art studios and provide outdoor play through nature based playgrounds. The Early Childhood Programs serve as the backbone of many at-risk Chicago communities, including West Humboldt Park, Pilsen, Bronzeville, and New City (Back of the Yards). These neighborhoods are impacted by high rates of poverty and limited education.

Perspectives Charter Schools
URL: https://pcpsedu.org/
Job Titles: Middle School Mathematics, High School English, Middle School Special Education, High School Special Education, High School Mathematics
Job Description Summary: Perspectives was founded by two Chicago public school teachers in 1997 and was one of the first five charters in the state of Illinois. At all of our schools, the A Disciplined Life Education Model pairs a rigorous college-prep curriculum with social emotional learning based on the 26 ethical principles of A Disciplined Life. These principles, divided into categories of self-perception, relationships, and productivity, provide the backbone for everything we do at Perspectives. From the classroom to the playground, from the front office to staff meetings A Disciplined Life is our common language and practice. The result is students who develop positive self-perception, are in healthy relationships, and are equipped with the tools for productivity. 100% of Perspectives graduates are accepted to college and over 90% participate in an after school program. They persist in college at a rate above the national average and alumni become ethical leaders in education, medicine, engineering and more. Perspectis is located 20 minutes South of Chicago with a student population of about 1,400 students.
