

Crane Composites Expendable Scholarship in Engineering and Engineering Technology

This Fund has been established by the Crane Fund for Widows and Children to provide scholarship support for undergraduate students who are declared students within the College of Engineering and Engineering Technology at Northern Illinois University.

The Award:

Six scholarships valued at \$2,500 each for one academic year.

Eligibility:

- Candidates must be a full-time degree seeking undergraduate student in the College of Engineering and Engineering Technology
- Must be in good academic standing (not on probation) with the university
- Minimum NIU cumulative GPA of 2.00
- Must demonstrate financial need by meeting one of the two listed criteria below:
 - For need and deserving widows and children of men who, at their death, have left their widows and children without adequate means of support or...
 - Deserving wives and/or children of men upon whom they are dependent for support but, because of age or other disability, are unable or, for other reason, fail or neglect to adequately support their respective wives and/or children
 - Address this need in your personal statement
- Previous recipients are eligible to apply for awards in subsequent years

Requirements:

- Recipients must remain a declared major in the College of Engineering and Engineering Technology at NIU for the academic year of the award (fall and spring)
- Recipients must enroll in a minimum of 12 semester hours for Fall and Spring semesters

About the donor:

Crane Composites, Inc is the world's leading provider of fiber-reinforced composite materials. The Crane Fund for Widows and Children makes contributions to charitable organizations that provide direct assistance to underserved populations in the communities where Crane Composites operates and conducts business. The Crane Fund for Widows and Children touches the lives of many who live in the areas where Crane and its subsidiaries do business, supporting agencies, local United Ways, and the school and scholarship funds in the United States and Canada.
